Grants for university research awarded by AFRL-Rome

by Fran Crumb, Information Directorate

ROME, N.Y. — The Air Force Research Laboratory (AFRL) Information Directorate at Rome has recently awarded grants totaling nearly \$1 million to colleges and universities.

Institutions receiving funds for research programs related to the directorate's information technology mission include:

— Franklin W. Olin College of Engineering, (Needham, Mass.), \$571,621, "Shifting the Computational Paradigm."

— Arizona State University, \$150,000, "Qos and Control Theoretic Techniques for Intrusion Tolerance."

— Syracuse University, \$106,945, "Generic Event Recognition and Extraction."

— University of Rochester, \$100,000, "Semiconductor Saturable Absorbers."

— University of California at San Diego, \$30,000, "Semiconductor Waveguide Comp for Radar A." @
